# ESD textbook making process (1)

- RCE Dobong-Gu is a local government-centered, focusing on ESD policy. In addition, we are working hard to change the consciousness of students and citizens on climate change.
- RCE Dobong-Gu, certified by UN University in 2020, created ESD textbooks for the first year, laying the foundation for ESD spread in Dobong-Gu and promoting ESD to neighboring cities.

- 134 classes / 3,071 students

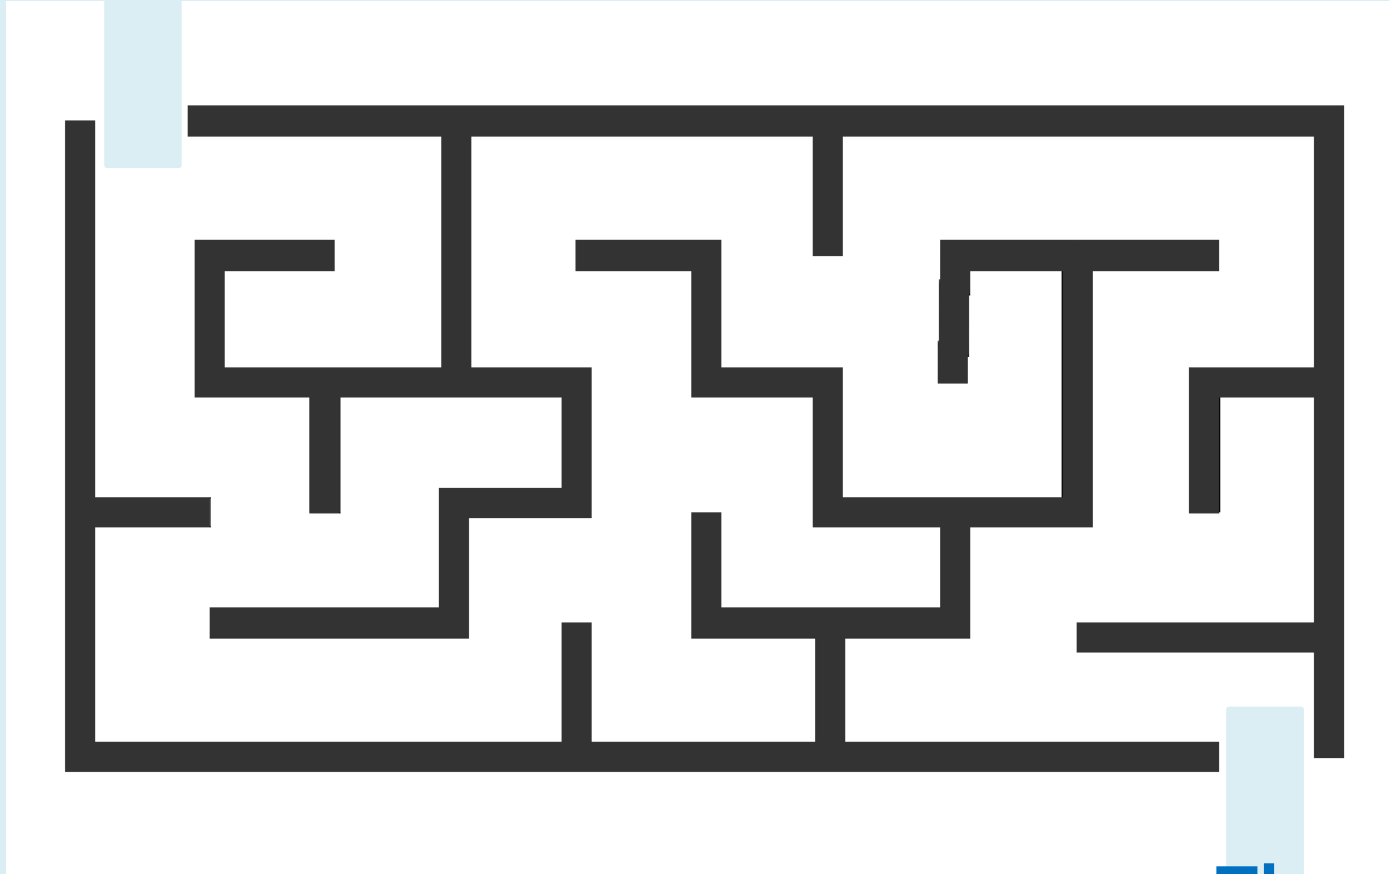

ESD textbooks

# Training course for ESD Maeul Instructor

- In order to teach the produced ESD textbooks in elementary schools, RCE Dobong-Gu are running the 'ESD Maeul instructor'.
- In the future, the ESD Maeul instructor will be the seeds of the spread of ESD in Dobong-Gu, Seoul and Metropolitan area.
